# AWESOME AUTHOR ROALD DAHL

Written By Lucas Flathaug

Issue Number Two 2013

Roald Dahl was born in 1916 in the UK. Roald Dahl is one of the worlds' most famous authors. Roald Dahl went to boarding school and that story is in his autobiography, Boy. Before he was an author Roald Dahl travelled and worked in Africa and he was a pilot during World War 2. The story of those experiences is in his autobiography, Going Solo.

Boy and Going Solo are found in the Non Fiction section of the library at 823. Roald Dahl married a hollywood star. Quentin Blake drew the pictures for most of the Roald Dahl books. His pictures are scribbly and funny.

## Charlie and the Chocolate Factory

This is my favourite book by Roald Dahl. It's my favourite because of how funny it is and it is very adventurous. My favourite part in the book is when a naughty girl eats an experimental new bubblegum that never ends and she becomes really fat and goes purple. I recommend this book to readers from year five and up. It is hilarious.

Rating system 1 = The worst book you have ever read. 10 = The best book you have ever read.

I rate this book 8/10
