Issue Number Four 2013

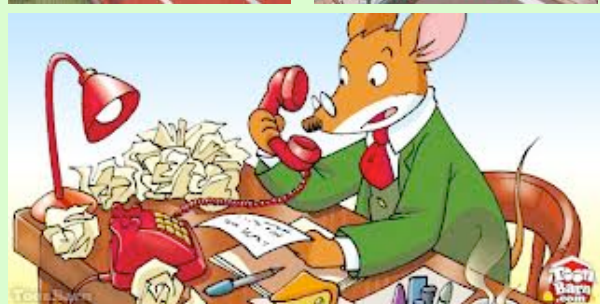

**Geronimo Stilton** is a best-selling children's book series. The books say they are written by the main character Geronimo Stilton however the original author is Elisabetta Dami. The books are intended for readers in from age 6–12. The first book in the series is *Lost Treasure of the Emerald Eye*. Although you can read the books in any order it is best to read them in order so you find out about each character as they appear in the series. Geronimo Stilton is a mouse who works as a reporter for a newspaper called the *Rodent's Gazette*. He is always getting involved in mysteries, crime solving, treasure hunting and other adventures.

If you liked Tintin then you might enjoy Geronimo Stilton because they are both reporters who gets involved in solving mysteries and crimes.

I rate these books 8/10 1/10 being the worst book I have ever read and 10/10 the best.

If you go to the website below there is a great deal of information about the books and interactive games you can play.
