H.I Larry

Written By Vivela Fusitua

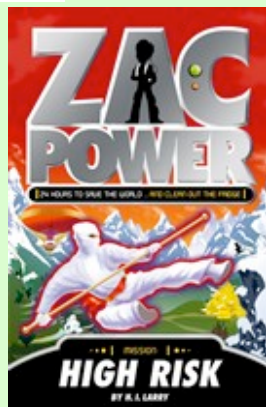

Issue Number Seven 2013

Zac Power's world of adventure has been immensely successful, with around fifty exciting stories published and over a million copies sold in Australia alone. The 'H.I. Larry' name was used to keep the series consistent (and ensure that all Zac Power books are catalogued and shelved together!). Readers have long been intrigued by Larry's secret identity.

The H.I Larry series is written by a Team of Writers These three very special people are Hillary Badger, Chris Morpew and Meredith Badger.

The H.I Larry comes from the name Hilary.

I recommend these books to anyone who likes lots of action. Test Drive and Spy Camp books are very easy to read if you are not a confident reader.

Zac Power books come in different sets:

Test Drive, Spy Camp, Mega, Extreme, Ultimate and Special Files.

The series is based upon the adventures of Zac Power, a twelve-year-old boy, and his fifteen-year-old brother, Leon. Zac is a secret agent for the Government Investigation Bureau (GIB), and Zac's adventures often see him saving the world using excellent gadgets.

This year the Book Group plans to release an Awesome Author every week and our main goal is to get boys to recommend books to each other. Editor Liam Ottley. Published By Mrs Bell-Booth and Mrs Lewis-Roberts
